## BRINGING THE COMMUNITY TOGETHER AND SUPPORTING ONE ANOTHER

BY EDWIN TURTON

All of us have hopes and dreams for our community, and this influences the values that we strive to live by.

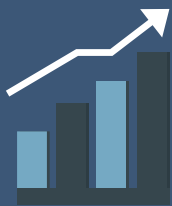

Preller Square Shopping Centre is situated in a community where good values are important. We support these values by hosting initiatives like, MyschoolMyVillageMyPlanet, the SANBS Blood Drives, The Salvation Army, Santa's Shoebox and Cansa Shavathon. Last year we also helped a local singer host an event at our centre to raise money for a singing competition that she had entered abroad. It is important to do the right thing - to put back into the community from which you prosper. These positive contributions fundamentally impact individuals' lives, who are able to thrive from a safe and secure community.

We invite you to join us in these initiatives next time we host an event. Show us you care, because we care.

## WHAT WE STRIVE TO ACHIEVE AS A CENTRE IN TERMS OF PROVIDING A SAFE FAMILY ENVIRONMENT

BY ESME DU PREEZ

Preller Square Shopping Centre is situated close to schools and residential areas. This makes it the perfect family shopping location or that after-school one-stop shopping spot.

We have ample free parking, 24 hour security and CCTV. As a mother of two young and active toddlers, I firmly believe that they have the best equipped kiddies play area in town. After mom's shopping the children can play on the jungle gym, enjoy a train ride or splash about at the water fountain on those hot summer days. Mom and Dad can sit at one of the 6 eateries facing the piazza and play area while keeping an eye on them.

Preller Square Shopping Centre is spacious and gives you that "outdoor" feel, so it really is a time out for parents to sit back and relax, knowing that their children are in a safe environment.
