WOMEN'S DAY

We salute our female tenants at Preller Square Shopping Centre. When women support each other things happen. Other women are not our competition. We stand with them, not against them. Be an unstoppable woman everyday!

SANBS & JACO JACOBS

We regularly host the SANBS at Preller Square, but this time around we took initiative by inviting the well known author of many kids books, Jaco Jacobs, to the event to sign books and attract an even bigger crowd. Also a big thanks to Bargain Books for making this possible.

HELP U FOUNDATION BALLOON POP

In collaboration with Help-U Foundation we hosted a Balloon Pop. It was a big success as patrons took the time to take part in this fundraiser project. Each balloon that was popped had a gift/voucher valid at one of our stores at Preller Square. All proceeds went to the foundation.

HOW WE KEPT OUR HEADS UP DESPITE THE COVID 19 IMPACT ON OUR BUSINESS.

by Alta Oosthuizen

Covid 19 had a devastating impact on the world and we did our best to always keep our heads up.

Despite business slowing down, ZPG kept going every day, working as if COVID 19 never existed. We did our best to apply the best possible safety protocols, make sure everyone was safe, remaining positive and assisting where we could. We sympathized with those who incurred a detrimental loss during the pandemic.

The most important aspect is that we stood together as one and will continue to do so.
